Groups – Purpose

Assist groups of artists creating together on a permanent basis in making new art, growing artistic skills and marketing to a broader audience.

Who is eligible to apply?

Any artistic group that has at least two consistent members and a history of creating together under the group name for at least one year prior to the application is considered a permanent group. 501(c)(3) organizations are NOT eligible. Individual artists working on collaborative projects are NOT eligible for the Group application. All members of the group must also meet the following requirements:

- Are professional, working artists (age 18 and older);
 - Definition: individuals who devote a significant portion of their time to the creation of personal artwork. The professional artist is likely paid for performances, sells their artwork, or shares their independent body of work with the public on a regular basis. Individuals working in a creative industry primarily producing commercial work are not eligible. The artists should be focused on realizing their own creative or aesthetic ideas, rather than on documentation or journalism. The term “artist” applies broadly across disciplines, including performing, visual, literary, film, fashion and multi-disciplinary artists.
- Live in Franklin County OR live in a county bordering Franklin County AND primarily exhibit, perform, produce or present artistic work in the city of Columbus;
- Have had residency in Franklin County or a county bordering Franklin County for at least one year prior to the date of application;
- Are NOT enrolled as degree-seeking undergraduate students.

NOTE: Award recipients must remain residents of Central Ohio for the entire grant period (one year).

Who should submit the application on behalf of the group?

Anyone who is a permanent member of the group may submit. The applying member will ultimately be responsible for signing the application, and if awarded, the Grant Agreement. The applying member will also receive a 1099 for awards \$600 and over, if awarded. All permanent members of the group will be added to the application and will receive an email asking them to “accept” or “decline” an invitation to join the application. Each member must accept before the application can be approved.

Individuals participating in a Group application are ineligible to apply for additional grants on their own in the same calendar year.

How much can we apply for?

You may request up to \$1,750. You may receive a partial award based on the recommendations of the committee, funds available, and/or documentation provided.

How often can we apply?

Once per calendar year.

What kind of expenses or opportunities qualify for this grant?

Funds may be requested for the cost of supplies, materials and resources to help you create new work, to attend a professional development or learning opportunity, and/or for expenses that assist with the marketing or promotion of your artistic group or your artwork. You are required to use Franklin County based vendors or suppliers or demonstrate a compelling need to use non-local services.

Examples of eligible expenses:
