ABOUT US

MISSION
To support and advance the arts and cultural fabric of Columbus.

VISION
A thriving Columbus where the arts matter to all of us.

OUR BOARD
The Arts Council Board of Trustees is composed of up to 29 members that includes five trustees appointed by elected representatives of the city of Columbus and three appointed by the Franklin County Board of Commissioners. The Board or a committee of the Board evaluates and approves all final funding decisions. The Board meets seven times a year in addition to numerous committee meetings throughout the year. Board meeting minutes are taken and available for public review. To view a current list of the Board of Trustees, please visit our website: https://www.gcac.org/about/board-of-trustees/.

CONFLICT OF INTEREST DISCLOSURE
In accordance with Greater Columbus Arts Council’s Code of Regulation “Duality of Interest” policy, the Arts Council maintains an annual written record of staff and board member’s duality of interest or any possible conflict of interest. A conflict of interest is defined as any artistic, financial or personal relationship that an individual has with an organization or individual that would prevent them from offering an unbiased evaluation, reaching an unbiased decision or any relationship that has a strong likelihood to lead an organization, individual or the public to perceive a conflict of interest.

Staff and Board members who have disclosed a duality of interest or conflict of interest will refrain from participating in grant evaluations, scoring and voting.

PUBLIC FUNDING
The Arts Council receives funding through annual contracts with the city of Columbus and the Franklin County Board of Commissions for the purposes of expanding cultural services and community enrichment, primarily through a competitive grant process. This funding is derived from four primary funding sources:

- City of Columbus Hotel/Motel Excise tax (no less than 75% must be allocated to arts & culture community), since 1978
- City of Columbus Creation, Innovation and Inclusion Fund, since July 2019
- City of Columbus Facility Stabilization Fund (20% of Nationwide Arena’s Arts & Culture Fee receipts), since July 2019
- Franklin County Board of Commissioners, since October 2019
In addition to the community funding programs, the Arts Council provides services to and advocates for arts organizations and artists, provides community-wide marketing for the arts and culture scene locally, regionally and nationally, and works closely with policy makers to foster an understanding of the economic and social impact of the arts on communities.

In addition, the Arts Council receives an annual Sustainability grant from the Ohio Arts Council, Ohio’s state arts agency.

OUR THANKS

Many thanks to Mayor Andrew J. Ginther, City Council President Shannon G. Hardin and Columbus City Council Members, Franklin County President Marilyn Brown and the Franklin County Board of Commissioners for their commitment to the Columbus arts and cultural community and the economic impact, education and quality of life that results from that investment.

Over the course of 15+ years Columbus conducted more than 30 studies to assess the impact of the arts on the economy, study peer city funding models, and identify Columbus’ benchmark and determine the needed level of public funds for sustainability. In 2018, we stopped researching and took action. Together with our arts community, we advocated for new funding streams and our city and community leaders responded boldly. Columbus City Council passed legislation in December 2018 to administer a 5 percent arts and cultural admission fee, and in the fall of 2019 the Franklin County Board of Commissioners, for the first time, allocated $2 million to the Arts Council for distribution through its grants programs. We look forward to the impact these new funds will have on families, children, creative sector workers, businesses and residents in Columbus in the coming months and years.
Grants Overview & Process

Staff will complete an initial draft score of the application based on the Project Support rubric at the end of this section.

Applicant Interview

Applicants are required to participate in an in-person interview with Arts Council staff and a trustee. Organizations may bring up to three people to the meeting (staff, board or committee members, key volunteers, etc.); applications submitted using a Fiscal Sponsor must have a representative of the sponsor organization in attendance. The interview is intended to be a conversation to learn more about the project and discuss specifics of the application. There is no need to prepare additional materials or a presentation. Evaluation scores may be impacted based on the results of the interview.

Evaluation, scoring, and voting

After the interview, grants are reviewed, evaluated and scored using the Project Support rubric by the Creative Advancement Committee and later presented to by the Board of Trustees for approval.

Notification

Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees, applicants will be notified by email of the application award status (approved, approved with contingencies, or declined). Emails are sent to the primary grant contact and the fiscal sponsor, if applicable. You will receive reviewer/committee notes and a score that determines grant award amount in the notification email.

AFTER YOU ARE AWARDED

Grant Agreement

Following the approval of a grant, a grant agreement specifying the terms of the grant will be available in GoArts under the “Requires Attention” heading. To accept the award, review the grant agreement and digitally sign by the date indicated. No major changes in the project can then occur, either in activities, key leadership, or finances, without prior written approval from the Arts Council. Failure to properly notify and/or obtain approval could result in the cancellation of the remaining grant.

Publicity/Donor Acknowledgement

Once you are awarded, say “Thanks!” in a public way. The Arts Council requires that all organizations and artists receiving funding demonstrate the public value of the arts by making others aware of awards received and acknowledging public funders. Refer to APPENDIX A for details of the contractual publicity requirements.
Payments

Awarded applicants will receive 50% of their grant award following the receipt of a digitally signed Grant Agreement. The remaining 50% will be paid following receipt and approval of the final report.

Assessment and On-Site Visits

The Arts Council makes its most informed funding decisions using documentation of an organization’s activities, including planning and evaluation documents, progress updates, and final reports. Also, organizations should be prepared to make available up to four complimentary tickets for all performances, exhibits, or events funded at the request of the Grants & Services department so that staff or trustees can experience your programming live.

Review, evaluation, and selection

Following the deadline, applications and supplemental materials will be reviewed by Grants & Services staff members for completeness and eligibility. Applications are evaluated on organizational leadership, community engagement, progress to date, vision/goals and sustainability of the organization. Grants are reviewed and ranked by the Thrive Committee, which includes Arts Council Trustees and community leaders of color. Additional materials or application clarification may be requested by staff or committee members to assist in the evaluation process. The three strongest applications will be recommended to the Board of Trustees for approval.

Notification

Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees, applicants will be notified by email of the application award status (approved, approved with contingencies, or declined). Emails are sent to the primary grant contact and the authorizing official, as listed in the GoArts organizational profile.

AFTER YOU ARE AWARDED

Grant Agreement

Following the approval of a grant, a grant agreement specifying the terms of the grant will be available in GoArts under the “Requires Attention” heading. No major changes in the grant can then occur, either in activities, key leadership, or finances, without prior written approval from the Arts Council.

Awarded applicants will receive 100% of their Year One grant award following the receipt of a digitally signed Grant Agreement. A Year Two grant award will be awarded and disbursed in full after the completion of a satisfactory Progress Report.

**Assessment and On-Site Visits**

Also, organizations should be prepared to make available up to four complimentary tickets for all performances, exhibits, or events funded at the request of the Grants & Services department so that staff or trustees can experience your programming live.

**Required Reporting**

A Progress Report is due 11 months after the initial award date; a Final Report is due 12 months after the Progress Report. To complete your reports, login to GoArts, scroll down to “Requires Attention” and click on the “Reports” tab. Extensions may be requested in writing before the final report due date. Failure to submit a report within 90 days of the due date may result in the cancellation in participation in the program. | Audit and FY Report Due | 105 days after organization’s Fiscal Year End |
| Final Report Due        | August 5, 2021 (extended to collect 1 year ticket fee data) |

Ticket Fee Requirement

Recipients of Operating Support are required to apply the city of Columbus’ 5% arts and culture fee to all admission tickets. For details, [https://www.gcac.org/impact-of-the-arts/columbus-ticket-fee/](https://www.gcac.org/impact-of-the-arts/columbus-ticket-fee/). The final report for 2019 grantees has a deadline of August 5 and will collect ticket fee totals from the first year.

How are awards calculated?

The Arts Council uses a three-year average of the recipient’s adjusted audited revenue* to establish the recipient’s peer group. This three-year adjusted revenue average, the revised 2020 applicant budget peer group and the 2019 application score will determine an annual grant amount.

A separate agreement will be issued for each phase with award amount, which will be dependent on the Arts Council’s available funds and reviews of applicant’s finances and planning. The intention is to distribute quarterly payments in equal amounts, but this is wholly dependent on public funds received.

* NOTE: Adjusted audited revenue is defined as: audited revenue less 1) in-kind support, 2) capital contributions, 3) Arts Council grant awards, 4) other funding provided by the city of Columbus and/or Franklin County and 5) related party funds (related party funds are defined as funds provided by an entity controlling, controlled by or under common control with the applicant). This definition has been expanded for the 2020 Guidelines.
2020 OPERATING SUPPORT PROCESS

PHASE ONE: Q1

There is no application for Phase One: Q1. The formal application deadline is moved to September 1 to allow organizations time to prepare response and recovery related to the pandemic. For Phase One, we will lean heavily on the interview process to assess status of organizations. A list of possible questions will be shared prior to the interviews; questions will vary from organization to organization.

May 1: Upload deadline. Organizations will upload available financials (six month forecast/cash flow) and any planning documents to the online application. Planning documents might include steps you have taken to date (staff reductions, loans, etc.) & future scenarios. No special format is required. It is assumed that organizations will already have or are working on such documents. There is NO scoring.

May 14-26: Interviews. The Arts Council staff and board representatives will host in-depth videoconference conversations to understand each organization’s immediate response measures, planning and leadership, including board engagement.

June 18: Award notifications and Q1 Grant Agreements sent. OS awards are voted on by the Arts Council board. By the time recommendations reach the full board, they have been vetted by the Operating Support subcommittee and the board’s Executive Committee.

June 30: Q1 award disbursement via ACH direct deposit.

PHASE TWO: Q2

July 1: Applications are open in GoArts

Sept 1: Deadline for online application/financials. Questions will be relevant to current environment.

Sept 7-11: Applicant interviews, as needed, for clarity or to discuss concerns. There is NO scoring.

Oct 15: Q2 award notification and grant agreement sent. Awards are voted on by the Arts Council board

Oct 30: Q2 award disbursement via ACH. (Payment moved to align with receipt of public funding)

PHASE THREE: Q3 & Q4

Dec 1: Upload deadline for updated financials and planning documents

Dec 7-11: Applicant interviews, as needed, for clarity or to discuss concerns

Dec 14: Q3 and Q4 award notifications combined in one grant agreement. Awards are voted on by the Arts Council board

Dec 16: Q3 award distribution via ACH

March 30: Q4 award distribution via ACH

FY REPORT: The organization’s audit and comparative financial spreadsheet must be submitted as part of the FY Report 105 days after the organization’s fiscal year end. These documents do not need to be uploaded at the time of the application submission.
**FINAL REPORT:** Final Report submission deadlines will be August 5 annually. This enables 12 month reporting on ticket fee receipts.

**AFTER YOU ARE AWARDED**

**Grant Agreement**

In three phases, a grant agreement specifying the terms of the grant will be available in GoArts under the “Requires Attention” heading. To accept the award, review the grant agreement and digitally sign by the date indicated. No major changes in the project can then occur, either in activities, key leadership, or finances, without prior written approval from the Arts Council. Failure to properly notify and/or obtain approval could result in the cancellation of the remaining grant.

**Award Disbursement**

Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees/Operating Support Committee, applicants will be notified by email of the application award status (approved, approved with contingencies, or declined). Emails are sent to the primary grant contact and the authorizing official (as listed in the GoArts organizational profile).

Please note that all Arts Council grant payments are fully dependent upon funding from the City of Columbus and Franklin County Board of Commissioners. This award does not imply continued or equivalent support from the Arts Council.

With GCAC experiencing several months of zero bed tax or ticket fee revenue, we have made considerable revisions to our 2020 budget to support our OS organizations the best we can. However, we cannot pledge an annual award with the uncertainty of our financial future. Instead, will move to a three-phase financial review and contracts versus an annual contract. In short, our aim is to disburse four equal payments, but this will be contingent on our available funds.

**Publicity/Donor Acknowledgement**

Once you are awarded, say “Thanks!” in a public way. The Arts Council requires that all organizations and artists receiving funding demonstrate the public value of the arts by making others aware of awards received and acknowledging public funders. Refer to [APPENDIX A](#) for details of the contractual publicity requirements.

**Assessment and On-Site Visits**

The Arts Council makes its most informed funding decisions using documentation of an organization’s activities, including planning and evaluation documents, progress updates, and final reports. From time to time, staff and Board members may conduct on-site visits to Operating Support recipients to better assess the impact of the grant awards. Also, organizations should be prepared to make available up to four complimentary tickets for all performances, exhibits, or events funded at the request of the Grants & Services department so that staff or trustees can experience your programming live.
Required Reporting

Operating Support recipients have a multi-step standard reporting process driven by the organization’s fiscal year and the term of the Arts Council grant agreement. All reporting is submitted through the GoArts portal, under the Requires Attention section, reporting tab.

1) Fiscal Year (FY) REPORT and Audited Financial Statements are due 105 days after an organization’s fiscal year end. You will find this in GoArts application system. Log in, scroll to the bottom to Requires Attention section, in the Reports tab there is a link called FY Report.

A. Upload the newly completed Audit in the Supplementals tab
   1. Must include Statement of Functional Expenses
   2. Must include management letter or other documentation provided by auditors, if applicable

B. Use the information from your audit to complete the Comparative Financial Statement
   1. In the Supplementals tab, find the financial spreadsheet under Comparative Financial Statement
   2. Download the spreadsheet and then update the FY19 Actuals and FY20 Budget plus comments on variances. Save it to your computer.
   3. Upload the revised/new spreadsheet to the section titled: Comparative Financial Statement UPDATED
   4. Using the data in your financial spreadsheet (pulled from your audit), complete the rest of your FY Report and submit by the due date indicated in the system.

NOTE: Failure to upload audited financial statements and the comparative financials spreadsheet and complete the FY Report on the due date will result in a reduction of the grant award in the amount of $500 per day overdue; the reduction will be applied to the next disbursement. An extension may be granted by the Grants & Services department as long as the extension is requested in writing BEFORE the due date. Arts Council staff has the authority to deny an extension if there is a history of unsupported extension requests.

2) FINAL REPORT is due August 5 annually.

   • A thirty (30) day extension may be requested in writing BEFORE the due date.
   • Failure to submit a final report within ninety (90) days of the due date may result in the cancellation of the remaining grant amount.
Removal from Operating Support

The Grants & Services staff monitors the eligibility status of Operating Support recipients and provides notification if the organization’s continued participation in Operating Support appears to be in jeopardy.

In 2020, the series of document reviews and conversations is designed to continuously monitor the viability of an organization in the face of pandemic impact.

An Operating Support recipient may receive notice of impending ineligibility if the recipient:

- Demonstrates a 10% or greater deficit for two consecutive fiscal years; or
- Receives a note of going concern in their audited financial statements; or
- Does not meet the minimum three-year average adjusted annual audited revenue of $150,000; or
- The organization’s sustainability is deemed vulnerable or at risk due to financial, board or leadership mismanagement or misconduct.

The above reasons are considered just cause to designate an organization ineligible for the Operating Support program. However, with the recommendation of the Creative Advancement Committee, the Arts Council Board reserves the authority to terminate or extend an organization’s participation at any time.

Once a recipient organization has received notice of concern from the Arts Council, the notice must be distributed to all members of the recipient’s Board of Trustees. Organizations will be required to submit their Board-approved solution, as well as provide additional monthly or quarterly programming or financial reporting. Additional restrictions and requirements may accompany any grant.

An organization’s failure to take corrective action and demonstrate annual progress and stabilization will make it ineligible for Operating Support. An organization cannot receive Operating Support without meeting all eligibility requirements for three consecutive years. The Arts Council and its Board of Trustees may rely on external evaluations to assess the organization’s eligibility.

APPENDIX B: PARTNERING WITH A FISCAL SPONSOR

Project Support grants are awarded only to 501(c)(3) organizations. The Arts Council allows groups and individual artists to engage a locally-based Fiscal Sponsor to submit for Project Support: Tier B grants.

Requirements

- Fiscal Sponsor organizations must have a budget of over $50,000, as demonstrated by a recent 990 (within three years).
- Fiscal Sponsor organizations must have been established at least one year prior to the application and have completed at least one 990 to the IRS.
- The Fiscal Sponsor may not employ any of the applicant’s employees or Board members or any other related party.
- Fiscal Sponsors are required to be involved as a collaborator as opposed to merely a transactional relationship. The expectation is that the Fiscal Sponsor is engaged in a meaningful manner and committed to the financial and artistic success throughout the duration of the project.
- The Fiscal Sponsor does not have to be an arts organization as long as the partnership is authentic and the sponsor can demonstrate financially stability and strong governance.

The requirements aim to minimize risk of the Arts Council’s investment and to improve project outcomes by setting standards for the types of organizations that can become Fiscal Sponsors, as well as asking that the sponsor be engaged and lend its organizational experience to the project.

Important considerations

- If the fiscally sponsored event, series, festival, program or season is on-going or annually produced, the group or individual applying must provide full bookkeeping records and bank statements for the project. Depending on the size of the project budget, tax records may also be requested.
- Both parties should agree to and confirm in writing the details of responsibilities.
- The Fiscal Sponsor may require a service fee to cover administrative costs. The applicant should include the expense within the project budget of the application. This expense qualifies for all or partial coverage through the awarded grant.
- The application and final report should be completed jointly.
- If the applicant is awarded a grant, the grant agreement is made between the Arts Council and the Fiscal Sponsor, NOT the applicant. However, we do request that both parties review the contract.
- The Arts Council is not responsible for disputes between the applicant and Fiscal Sponsor.

Registering and applying through GoArts

The lead artist or organizer will register as an individual in GoArts. After beginning an application, click on the “Invite Grant Writer or Fiscal Sponsor” button at the bottom of the application. Add the Fiscal Sponsor’s employee contact information. The Fiscal Sponsor will receive an email inviting them to the application – the Fiscal Sponsor must click on the link and press the “accept” button. If the Fiscal Sponsor currently has an account in GoArts, they then will be able to see the draft application on their dashboard. If they do not have an account in GoArts, they will be invited to register.

DEFINITIONS

501(c)(3) Status

A non-profit organization that has been approved by the Internal Revenue Service as a tax-exempt, charitable organization.

Adjusted Audited Revenue

For Operating Support applications, the Arts Council reduces Audited Annual Revenue by excluding in-kind or contributed services/items, capital campaign contributions, Greater Columbus Arts Council grants, related party funds and funding received from city of Columbus and Franklin County. This figure is used to place organizations in budget peer groups for the purpose of determining preliminary funding allocations.

Arts and Culture

The “arts” is a broad subdivision of culture, composed of many creative endeavors and disciplines. Culture is a broader term than "art," which as a description of a field usually meaning only the arts. The “arts” encompasses many disciplines such as visual arts, literature, music, dance, theatre, film, fashion, and others.

Audited Financial Statements

Generally known as “the audit,” this document contains an organization’s fiscal-year financial transactions. Certified public accountants review the transaction for compliance with Generally Accepted Accounting Principles (GAAP) or Governmental Accounting Standards Board (GASB). Audited
financial statements ensure credibility of the financial records and are tools for making sound financial decisions.

**Capital Expenditures**

For Arts Council grants, capital expenditures are assets with a useful life over three (3) years and a fair market value exceeding $1,000. Maintenance and repairs that increase the life of an asset will not be recognized for the purpose of determining the grant.

**Deficit**

Financial deficit is the amount that an organization’s annual adjusted expenses exceed their adjusted annual revenue. Adjusted expenses are defined as audited annual expenses less depreciation and/or amortization and contributed or in-kind services.

**Fiscal Sponsor**

A non-profit organization that holds the tax-exempt status as granted by the Internal Revenue Service under code 501(c)(3) and that agrees to act on behalf of an individual or organization that does not yet have tax exemption for the purposes of this grant process.

**Matching Funds**

Operating Support and Project Support require recipients to match funding from the Arts Council dollar for dollar (1:1). This cash match can include cash on hand, admissions, concession sales, grants and board/individual contributions. In-kind donations and services cannot be used towards the match.

**Professional Artist**

The Arts Council views professional artists as individuals who devote a significant portion of their time to the creation of art. The professional artist is likely paid for performances, sells their artwork, or shares their independent body of work with the public. The term “artist” applies broadly across disciplines, including performing, visual, literary, and multi-disciplinary creatives.

**Units of Government**

The Arts Council defines a unit of government as agencies, committees, department(s) or operation(s) at the direction of a city, county, state, or federal agency.
