AFTER SUBMITTING THE INITIAL PITCH – NEXT STEPS

Initial Review

Following the deadline, the Initial Pitch will be reviewed and the strongest pitches (up to 6) will be notified that they have made it to the next step and are considered finalists. A strong pitch consists of a compelling idea with potential to be brought to fruition based on the following:

- Originality- This idea is innovative, new or different from similar ideas.
- Artist impact- This is a new project for the artist(s) involved or elevates the artists’ current work; this will allow the artist(s) to reach a broader audience.
- Community impact- This will be available or open to the public; this project will reach a historically marginalized and/or otherwise underserved community.

Project Discussion

Finalists will be asked to sign-up for a Project Discussion with Arts Council staff and a trustee. The discussion will include going over the full application questions, budgeting process, and details of the project plan. The Arts Council will connect finalists to resources and provide guidance, as appropriate.

Full Application

Following the Project Discussion, finalists will have a week to complete a full application in the online system based on the meeting. The application will be sent to the Creative Advancement Committee.

Evaluation, scoring, and voting

The Initial Pitch and Full Application are reviewed, evaluated and scored by the Creative Advancement Committee and later approved by the Board of Trustees.

- Score A - $3500 award
- Score B - $3,000 award
- Score C - $2,500 award
- No Award

Notification

Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees, applicants will be notified by email of the application award status (approved, approved with contingencies, or declined). You will receive reviewer/committee notes and a score that determines grant award amount in the notification email.

2020 Grants & Services Guidelines

Grant Agreement

Following the approval of a grant, a grant agreement specifying the terms of the grant will be available in GoArts under the “Requires Attention” heading. To accept the award, review the grant agreement and digitally sign by the date indicated. No major changes in the project can then occur, either in activities, leadership, or finances, without prior written approval from the Arts Council. Failure to properly notify and/or obtain approval could result in the cancellation of the remaining grant.

Publicity/Donor Acknowledgement

Once you are awarded, say “Thanks!” in a public way. The Arts Council requires that all organizations and artists receiving funding demonstrate the public value of the arts by making others aware of awards received and acknowledging public funders. Refer to APPENDIX A for details of the contractual publicity requirements.

Payments

Awarded applicants will receive 90% of their grant award following the receipt of a digitally signed Grant Agreement. The remaining 10% will be paid following receipt and approval of the Final Report. Don’t forget to KEEP YOUR RECEIPTS.

Invitation & Tickets

The Arts Council makes an effort to engage with as many grantees as possible by attending events and activities funded through the grants program. Please add grants@gcac.org to your email list for the project and make available two tickets for any events that are part of the project at the request of the Grants & Services department.

Final Reports & Receipts

Final Reports, including receipts/paid invoices for all funds spent, are due 30 days following completion of the grant period as indicated in your Grant Agreement. To complete your Final Report, login to GoArts, scroll down to “Requires Attention” and click on the “Reports” tab. Extensions may be requested in writing before the final report due date. Failure to submit a final report within 90 days of the due date may result in the cancellation of the remaining grant disbursement. Overdue or failure to submit final complete reports may affect eligibility and impact grant awards in future applications.

NOTE: Checks may take up to four weeks to be processed and mailed.
New applicants

The Big Ideas grant has opened for another round and is tentatively on schedule. The Big Ideas grant schedule and all other information can be found [here in the guidelines](#).

What kind of pitches are competitive in the time of Covid-19?

The purpose of the Big Ideas grant is to uplift artist ideas and projects that bring all art forms out into the community. The project should be a live, in-person event accessible to the public for free or by purchasing a ticket. It should be something new, innovative and engaging to a live audience.

A good pitch should include a brief but clear description of your idea. It should use inviting language. Ask yourself if were being invited to this type of event, what would make you want to attend? You may not have every step of planning complete but your pitch should convey that you have a workable plan.

You may reach out to grants@gcac.org or contact Stevi Knighton the Grants and Services Coordinator at sknighton@gcac.org with further questions or concerns.

Past Big Ideas Grantees

At this time, all of the post grant award instructions as listed on the last page of the Big Ideas Guidelines, are still required. You can review the guidelines [here](#).

Should I cancel or postpone my Big Idea event, exhibit, and/or performance?

Funding live programming remains the goal of the Big Ideas grant; however, if a virtual or socially distance format is applicable, without sacrificing the integrity of the concept, we may be able to allow for changes to the programming. These decisions should be made only after speaking with a member of the Grants and Services team first. All programming decisions should be made with the guidance of the Ohio Department of Health, State of Ohio, and City of Columbus’ recommendations about gatherings and events. This information as well as additional resources and updates can be found on the [GCAC Resources for COVID-19](#) site.

What do I do if I need to make changes or have questions?

Remember all changes must be reviewed and discussed with a member of the Grants and Services team. You will need to request written approval for changes. All requests should be submitted via email and include:

- An updated pitch with the changes you want to make to the title of project, estimated total project cost, number of artists paid;

- A new description of the timeline and venue changes;

- And a new budget outline that specifically expresses how you plan to spend the grant award dollars.

If you are unable to proceed with the idea you originally proposed, please notify Stevi Knighton (sknighton@gcac.org or 614-221-8569).
What do I do with the grant money if I need to postpone or cancel my event?

The Big Ideas grant is awarded in two checks. The amount of the first check would have been for 90% of the total grant award, with the final 10% being distributed upon completion of the final report. If you received your first payment of 90% and need to cancel or postpone, you may either:

- Return the funds by check or money order to the Greater Columbus Arts Council, 182 E. Long Street, Columbus, OH 43215;
- Or you may reserve the funds for future use but we ask that you please deposit or cash the check. **Do NOT** hold the award in check form if you plan to proceed with the event.

Please keep any and all receipts, paid invoices, etc. These will be required for the final report. If you have had to cancel and spent any of the funds already, please contact Stevi Knighton, Grants and Services Coordinator, at sknighton@gcac.org.

These funds may **NOT** be reallocated to any other grant program or be used for personal expenses. The grant funds must be used as indicated in the application or as approved by a member of the Grants and Services team. For further questions, you may reach out to the Grants and Services team at grants@gcac.org.
