### Figure and Portrait Models,

Cooley Studios is seeking male and female figure and portrait models to model for our classical fine art school beginning this January through the end of April. We are offering each model a chance to work for a full month holding the same pose which allows the student artists time to create a highly refined work. Figure modeling begins January 4th, Monday through Thursday from 1pm to 4pm. Portrait modeling begins February 1st, Monday through Thursday from 9am to noon.

We are Covid compliant. We have 3 to 5 student artists 6 foot apart. We are 6 to 7 feet away from the model platform. We are masked but we offer the model the opportunity to mask or not. If you are portrait modeling, we ask you to bring a mask but not wear it during your modeling sessions

We do not have fully nude modeling. Our models wear a thong, g-string, jock strap or sport support or something similar to cover your lower area.

What we are looking for in our models are:

1. Little to no tattoos (as we are a classical art studio and work as close to nature as possible).
2. Must be on time and professional.
3. Don't have to be the most experienced but experience is a plus.
4. No conversing when modeling.
5. We pay models \$12 to \$15 per hour based on experience they have and if they have worked with us in the past.
6. Models are paid biweekly.

Any questions, call Michael Cooley at 614-547-7900. Please, no texting!!! I look forward to hearing from you.

Sincerely,

Michael A. Cooley, MFA
