AFTER SUBMITTING – NEXT STEPS

Initial Review

Following the deadline, applications and supplemental materials will be reviewed by Grants & Services staff members to make sure the application is complete and meets eligibility. Staff will complete an initial draft score of the application based on the scoring section below.

Introductory Meetings (new applicants only)

Applicants that are new to Project Support or have not received Project Support in the past three years will be required to participate in an in-person or virtual Introductory Meeting with Arts Council staff and a trustee. The Introductory Meeting is intended to be a conversation to learn more about your organization, discuss specifics of the application, and tell you more about the Arts Council and grant process. There is no need to prepare additional materials or a presentation.

Applicant Interviews (previous grantees, as needed)

Occasionally, repeat applicants will be asked to attend an Applicant Interview before grant approval to clarify the application, discuss organizational changes or review the financials submitted.

Evaluation, scoring, and voting

After the interview, grants are reviewed, evaluated and scored by the Creative Advancement Committee and later presented to the Board of Trustees for approval. Applications will be assessed in three categories for a maximum of 20 points (applications receiving scores of 10 or under receive no funding):

- Community Engagement & Commitment to I.D.E.A. – up to 8 points
- Artistic Excellence & Impact – up to 5 points
- Project Management & Budget/Financials – up to 7 points

Notification

Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees, applicants will be notified by email of the application award status (approved, approved with contingencies or declined). Emails are sent to the primary grant contact and the fiscal sponsor, if applicable. You will receive reviewer/committee notes (if applicable) and a score in the notification email.

AFTER YOU ARE AWARDED

Grant Agreement

Following the approval of a grant, a grant agreement specifying the terms of the grant will be available in GoArts under the “Requires Attention” heading. To accept the award, review the grant agreement and digitally sign by the date indicated. No major changes in the project can then occur, either in activities, key leadership, or finances, without prior written approval from the Arts Council. Failure to properly notify and/or obtain approval could result in the cancellation of the remaining grant.

Publicity/Donor Acknowledgement

Once you are awarded, say “Thanks!” in a public way. The Arts Council requires that all organizations and artists receiving funding demonstrate the public value of the arts by making others aware of awards received and acknowledging public funders.

Project Support awardees should credit the Arts Council for all events associated with the project activities detailed in the application utilizing website pages, social media posts and events, print materials, curtain speeches, e-newsletters and on-site signage. Refer to [APPENDIX A](#) for details of the contractual publicity requirements.

Payments

Awarded applicants will receive 50% of their grant award following the receipt of a digitally signed Grant Agreement. The remaining 50% will be paid following receipt and approval of the final report.

For faster and dependable delivery, all payments will be issued through ACH Direct Deposit. To set up, banking information is collected (or updated with changes) as part of the grant agreement and is stored securely.

NOTE:
Payments may take up to three weeks to be processed.

Grantee Follow-up Meetings and On-Site Visits

Project Support grantees will have a scheduled meeting with Arts Council staff and trustees, when available, within 3 months of the award date. This meeting is intended to be an open dialogue between grantee and funder. The organization will have the opportunity to update the Arts Council on exciting news, changes in the organizations, and challenges.

Also, organizations should be prepared to make available up to 4 complimentary tickets for all performances, exhibits, or events funded at the request of the Grants & Services department so that staff or trustees can experience your programming live and become better advocates for arts in Columbus.

Final Reports

Final Reports are due 30 days following completion of the grant period as indicated in your Grant Agreement. To complete your Final Report, login to GoArts, scroll down to “Requires Attention” and click on the “Reports” tab. Extensions may be requested in writing before the Final Report due date. Failure to submit a Final Report within 90 days of the due date may result in the cancellation of the remaining grant disbursement. Overdue or failure to submit final complete reports may affect eligibility and impact grant awards in future applications.
