Review, evaluation and selection

Mural Assistance grants are reviewed by a jury of local community members, GCAC board members and national mural experts. Projects submitted by artists from historically marginalized communities will be prioritized. The jury will evaluate applications based on the following:

- Organization's investment and ability to execute plan presented
- Impact on the community based on mural location/size
- Strength of partnership with local artist(s)

Notification

Grant approvals are based on reviews and available funding. Following a vote from the jury, applicants will be notified by email of the application award status.

AFTER YOU ARE AWARDED

Grant Agreement

Following the approval of a grant, a grant agreement specifying the terms of the grant will be available in the online application system under the "Requires Attention" heading. To accept the award, review the grant agreement and digitally sign by the date indicated. You will be required to provide proof of residency in order to receive funding. No significant changes to the approved mural proposal can occur without prior written approval from GCAC– send an email to grants@gcac.org if you need to request a change.

Publicity/Donor Acknowledgement

Once you are awarded, say "Thanks!" in a public way. GCAC requires that all organizations and artists receiving funding demonstrate the public value of the arts by making others aware of awards received and acknowledging public funders. GCAC will provide signage for the mural site. Refer to [APPENDIX A](#) for more details of the contractual publicity requirements.

Payments & Spending the Funds

Awarded applicants will receive 50% of their grant following the receipt of a digitally signed Grant Agreement. The remaining 50% will be paid upon the completion of the mural and the submission of a Final Report.
