Project Support: Events, Festivals, Series

Provide support for a broad range of arts and cultural projects, including events, festivals and series.

Description

Project Support: Events, Festivals, Series grants provide assistance for performances, exhibitions, festivals, locally-produced film presentations and community events where the arts are at the core of the project. Projects must be open to the public, include significant participation of professional artists and have an implementation plan outlined at time of submission.

Who is eligible to apply?

Applicants must fall under one of the following categories to apply for Project Support: Events, Festivals, Series.

- Registered 501(c)(3) nonprofit organizations whose primary mission is **arts and culture**.
 - Organizations operating a comprehensive arts program who have a primary mission outside of arts & culture may be considered; please contact grants@gcac.org before starting application for pre-approval.
 - Organizations receiving General Support or Operating Support are NOT eligible to apply. Thrive grantees ARE eligible to apply.
- Applicants without nonprofit status are eligible to apply in collaboration with a qualified, local Fiscal Sponsor. See [APPENDIX B](#) for more information about applying with a Fiscal Sponsor.
 - Groups without 501(c)(3) status
 - Individual artists

What types of projects are eligible?

Performances, exhibits and arts events. The primary request must be for an event or series of events that is designed for the benefit of the general public and allows the community to experience the arts.

Additionally, all projects must meet the following criteria:

- At least 50% of proposed activities take place within the city of Columbus (check zoning here <http://gis.columbus.gov/zoning/>);
- Demonstrate compensation to professional artists involved in the project; and
- Be open and promoted to the general public (free or ticketed).

What types of projects or events are NOT eligible?

- Fundraising events
- Competitions and/or award shows
- Requests for the creation of art without a public event, performance, or exhibit
- Temporary or permanent public art (see Mural Assistance Grant for mural funding)
- Educational programs (including workshops) or youth programs
- Arts therapy programs or projects that primarily use the arts as a tool to raise awareness
- Projects that primarily feature, support or fund one individual artist

NOTE: If you are unsure if your project meets the eligibility requirements, please contact Kimberly Cole at kcole@gcac.org, before starting the application.

Cultural Festival Funding

Cultural festivals with an arts focus that represent diverse groups, including BIPOC communities, immigrants, refugees and New Americans may request \$2,500 without going through the formal Project Support application process. Applicants who would like to apply for more than \$2,500 should complete the standard application as described in this grant guidelines.

To request festival funding of \$2,500, please email grants@gcac.org with the following information:

- Festival Name, Date, Location
- Primary Leader Name, Email, Phone
- Website/Facebook page, if available.

NOTE: Approval of cultural festival awards is limited and will be based on available funding. Please contact us at least 30 days prior to the festival date.

What award amount can we receive?

Most projects receive a partial award of \$3,000-\$10,000. No projects will be fully funded and applicants should expect to secure additional funding outside of GCAC. Actual amount received will be based on the project budget and the committee score. Some very large budget projects may receive up to \$30,000.

NOTE: Fully virtual projects will be capped at a maximum award of \$5,000 (before score is applied). In-person or hybrid events are strongly encouraged.

How often can we apply? Can we apply to other organizational grants?

Applicants can receive one Project Support award per calendar year. Qualified organizations may also apply to the Thrive program.

When are applications due?

Project Support applications will be accepted twice per year.

Initial Review

Following the deadline, applications and supplemental materials will be reviewed by Grants & Community Engagement staff members to make sure the application is complete and meets eligibility. Staff will complete an initial draft score of the application based on the scoring section below.

Introductory Meetings (new applicants only)

Applicants that are new to Project Support or have not received Project Support in the past three years will be required to participate in an in-person or virtual Introductory Meeting with GCAC staff and a trustee. The Introductory Meeting is intended to be a conversation to learn more about your organization, discuss specifics of the application and tell you more about GCAC and the grant process. There is no need to prepare additional materials or a presentation.

Applicant Interviews (previous grantees, as needed)

Occasionally, repeat applicants will be asked to attend an Applicant Interview before grant approval to clarify the application, discuss organizational changes or review the financials submitted.

Evaluation, scoring and voting

After the interview, grants are reviewed, evaluated and scored by the Creative Advancement Committee and later presented to the Board of Trustees for approval. Applications will be assessed in three categories for a maximum of 20 points (applications receiving scores of 10 or under receive no funding):

- Community Engagement & Commitment to I.D.E.A. – up to 8 points
- Artistic Excellence & Impact – up to 5 points
- Project Management & Budget/Financials – up to 7 points

Notification

Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees, applicants will be notified by email of the application award status (approved, approved with contingencies or declined). Emails are sent to the primary grant contact and the fiscal sponsor, if applicable. You will receive reviewer/committee notes (if applicable) and a score in the notification email.
