Provide support for a broad range of arts and cultural projects, including events, festivals and series.

Description

Project Support: Events, Festivals, Series grants provide assistance for performances, exhibitions, festivals, locally-produced film presentations and community events where the arts are at the core of the project. Projects must be open to the public, include significant participation of professional artists and have an implementation plan outlined at time of submission.

Who is eligible to apply?

Applicants must fall under one of the following categories to apply for Project Support: Events, Festivals, Series.

- Registered 501(c)(3) nonprofit organizations whose primary mission is **arts and culture**.
  - Organizations operating a comprehensive arts program who have a primary mission outside of arts & culture may be considered; please contact grants@gcac.org before starting application for pre-approval.
  - Organizations receiving General Support or Operating Support are NOT eligible to apply. Thrive grantees ARE eligible to apply.
- Applicants without nonprofit status are eligible to apply in collaboration with a qualified, local Fiscal Sponsor. See **APPENDIX B** for more information about applying with a Fiscal Sponsor.
  - Groups without 501(c)(3) status
  - Individual artists

What types of projects are eligible?

Performances, exhibits and arts events. The primary request must be for an event or series of events that is designed for the benefit of the general public and allows the community to experience the arts.

Additionally, all projects must meet the following criteria:

- At least 50% of proposed activities take place within the city of Columbus (check zoning here [http://gis.columbus.gov/zoning/](http://gis.columbus.gov/zoning/));
- Demonstrate compensation to professional artists involved in the project; and
- Be open and promoted to the general public (free or ticketed).

**NOTE:** If you are unsure if your project meets the eligibility requirements, please contact McKenzi Swinehart at mswinehart@gcac.org before starting the application.

**Cultural Festival Funding**

Cultural festivals with a primary focus on presenting the arts (including dance, fashion, film, literary, music, theatre, and visual arts) that represent Black, Indigenous, People of Color, and/or immigrant, refugee, and New American audiences and producers/presenters, may make an annual request for Cultural Festival Funding of $2,500 from GCAC without formally entering the Project Support application process. Applicants applying for or receiving Project Support in 2023 for any projects are not eligible to also request Cultural Festival Funding. Requests for funding must be received no later than 30 days prior to the festival’s start date and are subject to approval based on eligibility and available funding. Please note that food and beverage festivals will not be considered at this time.

To request festival funding of $2,500, please email grants@gcac.org with the following information:

- Festival Name
- Festival Date
- Festival Location

Actual amount received will be based on the project budget and the committee score. Some very large budget projects may receive up to $30,000.

NOTE: Fully virtual projects will be capped at a maximum award of $5,000 (before score is applied). In-person or hybrid events are strongly encouraged.

How often can we apply? Can we apply to other organizational grants?

Applicants can receive one Project Support award per calendar year. Qualified organizations may also apply to the Thrive program.

AFTER SUBMITTING – NEXT STEPS

Initial Review
Following the deadline, applications and supplemental materials will be reviewed by Grants & Community Engagement staff members to make sure the application is complete and meets eligibility. Staff will complete an initial draft score of the application based on the scoring section below.

Introductory Meetings (new applicants only)
Applicants that are new to Project Support or have not received Project Support in the past three years will be required to participate in an in-person or virtual Introductory Meeting with GCAC staff and a trustee. The Introductory Meeting is intended to be a conversation to learn more about your organization, discuss specifics of the application and tell you more about GCAC and the grant process. There is no need to prepare additional materials or presentation.

Applicant Interviews (previous grantees, as needed)
Occasionally, repeat applicants will be asked to attend an Applicant Interview before grant approval to clarify the application, discuss organizational changes or review the financials submitted.

Evaluation, scoring and voting
After the interview, grants are reviewed, evaluated and scored by the Creative Advancement Committee and later presented to the Board of Trustees for approval. Applications will be assessed in three categories for a maximum of 20 points (applications receiving scores of 10 or under receive no funding):

• Community Engagement & Commitment to I.D.E.A. – up to 8 points
• Artistic Excellence & Impact – up to 5 points
• Project Management & Budget/Financials – up to 7 points

Notification
Grant approvals are based on evaluations and available funding. Following a vote from the Board of Trustees, applicants will be notified by email of the application award status (approved, approved with contingencies or declined). Emails are sent to the primary grant contact and the fiscal sponsor, if applicable. You will receive reviewer/committee notes (if applicable) and a score in the notification email.
AFTER YOU ARE AWARDED

Grant Agreement

Following the approval of a grant, a grant agreement specifying the terms of the grant will be available in the online application system under the “Requires Attention” heading. To accept the award, review the grant agreement and digitally sign by the date indicated. No major changes in the project can then occur, either in activities, key leadership, or finances, without prior written approval from GCAC. Failure to properly notify and/or obtain approval could result in the cancellation of the remaining grant.

Publicity/Donor Acknowledgement

Once you are awarded, say “Thanks!” in a public way. GCAC requires that all organizations and artists receiving funding demonstrate the public value of the arts by making others aware of awards received and acknowledging public funders.

Project Support grantees should credit GCAC for all events associated with the project activities detailed in the application utilizing website pages, social media posts and events, print materials, curtain speeches, e-newsletters and on-site signage. Refer to APPENDIX A for details of the contractual publicity requirements.

Payments

Grantees will receive 50% of their grant award following the receipt of a digitally signed Grant Agreement. The remaining 50% will be paid following receipt and approval of the final report.

For faster and dependable delivery, all payments will be issued through ACH Direct Deposit. To set up, banking information is collected (or updated with changes) as part of the grant agreement and is stored securely.

NOTE: Payments may take up to three weeks to be processed. Make sure all of these are the same phrase in each section.

Grantee Follow-up Meetings and On-Site Visits

Project Support grantees will have a scheduled meeting with GCAC staff and trustees, when available. This meeting is intended to be an open dialogue between grantee and funder. The organization will have the opportunity to update GCAC on exciting news, changes in the organizations and challenges.

Also, organizations should be prepared to make available up to four complimentary tickets for all performances, exhibits, or events funded at the request of the Grants & Community Engagement department so that staff or trustees can experience your programming live and become better advocates for arts in Columbus.

Final Reports

Final Reports are due 30 days following completion of the grant period as indicated in your Grant Agreement. To complete the Final Report, login to the online application system, scroll down to “Requires Attention” and click on the “Reports” tab. Extensions may be requested in writing before the Final Report due date. **Failure to submit a Final Report within 90 days of the due date may result in the cancellation of the remaining grant disbursement.** Overdue or failure to submit final complete reports may affect eligibility and impact grant awards in future applications.
APPENDIX B: PARTNERING WITH A FISCAL SPONSOR

Project Support grants are awarded only to 501(c)(3) organizations. GCAC allows groups and individual artists to engage a locally based Fiscal Sponsor to submit for Project Support: Events, Festivals, Series grants.

Requirements

- Fiscal Sponsor organizations must have a budget of over $50,000, as demonstrated by a recent 990 (within three years).
- Fiscal Sponsor organizations must have been established at least one year prior to the application and have completed at least one 990 to the IRS.
- The Fiscal Sponsor may not employ any of the applicant’s employees or Board members or any other related party.
- Fiscal Sponsors are required to be involved as a collaborator as opposed to merely a transactional relationship.
- The Fiscal Sponsor does not have to be an arts organization as long as the partnership is authentic and the sponsor can demonstrate financial stability and strong governance.

The requirements aim to minimize risk of GCAC’s investment and to improve project outcomes by setting standards for the types of organizations that can become Fiscal Sponsors, as well as asking that the sponsor be engaged and lend its organizational experience to the project.

Important considerations

- If the fiscally sponsored event, series, festival, program or season is on-going or annually produced, the group or individual applying must provide full bookkeeping records and bank statements for the project. Depending on the size of the project budget, tax records may also be requested.
- Both parties should agree to and confirm in writing the details of responsibilities.
- The Fiscal Sponsor may require a service fee to cover administrative costs. The applicant should include the expense within the project budget of the application. This is a qualified expense that may be covered by the award.
- The application and final report should be completed jointly.
- If the applicant is awarded a grant, the grant agreement is made between GCAC and the Fiscal Sponsor, NOT the applicant. Both parties should review the contract.
- GCAC is not responsible for disputes between the applicant and Fiscal Sponsor.

Registering and applying through online application system

The lead applicant will register as an individual in the online application system. After beginning an application, click on the “Invite Grant Writer or Fiscal Sponsor” button at the bottom of the application. Add the Fiscal Sponsor’s employee contact information. The Fiscal Sponsor will receive an email inviting them to the application – they must click on the link and press the “accept” button. If the Fiscal Sponsor currently has an account in online application system, they then will be able to see the draft application on their dashboard. If they do not have an account in online application system, they will be invited to register.
